

	Position	Other Positions Held	Special District	Department	Total Wages
1.	Department Head		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$144,392
2.	Senior Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$108,987
3.	Senior Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$101,717
4.	Senior Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$91,725
5.	Senior Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$81,149
6.	Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$62,542
7.	Research Technician		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$48,409
8.	Senior Research Technician		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$46,225
9.	Senior Research Technician		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$36,003
10.	Senior Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$18,253
11.	Lab Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$9,005
12.	Lab Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$7,530

13.	Lab Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$7,408
14.	Lab Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$4,078
15.	Lab Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$2,625
16.	Lab Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$2,351
