

	Position	Other Positions Held	Special District	Department	Total Wages
1.	Department Head		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$149,150
2.	Senior Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$106,119
3.	Senior Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$94,364
4.	Senior Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$88,112
5.	Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$75,686
6.	Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$63,430
7.	Senior Research Technician		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$54,398
8.	Research Technician		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$29,947
9.	Senior Research Technician		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$19,058
10.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$10,499
11.	Senior Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$8,727
12.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$7,990

13.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$4,765
14.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$3,369
15.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$3,233
16.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$3,215
17.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$1,646
