

	Position	Other Positions Held	Special District	Department	Total Wages
1.	Department Head		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$159,580
2.	Principal Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$114,101
3.	Senior Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$102,177
4.	Senior Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$93,944
5.	Senior Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$82,925
6.	Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$70,279
7.	Scientist		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$64,350
8.	Senior Research Technician		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$62,097
9.	Research Technician		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$53,410
10.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$15,130
11.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$14,204
12.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$8,976

13.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$4,829
14.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$4,519
15.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$2,861
16.	Laboratory Assistant		Southern California Coastal Water Research Project Authority	Biogeochemistry	\$2,458
